About the College Board

The College Board is a mission-driven not-for-profit organization that connects students to college success and opportunity. Founded in 1900, the College Board was created to expand access to higher education. Today, the membership association is made up of over 6,000 of the world's leading educational institutions and is dedicated to promoting excellence and equity in education. Each year, the College Board helps more than seven million students prepare for a successful transition to college through programs and services in college readiness and college success — including the SAT® and the Advanced Placement Program®. The organization also serves the education community through research and advocacy on behalf of students, educators, and schools.

Country Codes and Non-U.S. Regions

Refer to this list to complete Item 9b on your registration form, and to determine the Non-U.S. Region for your first-choice center in Item 20. The Non-U.S. Regional Fee must be entered in Item 24 on the form.

If your mailing address is in a country or region other than the United States or U.S. territories, enter the appropriate code. Do not use a country code if you have an APO or FPO number. If your country or region is not listed, fill in "999."

CENTERS REQUIRING A SPECIAL ADMINISTRATIVE FEE (item 24b on registration form)

Some international centers require a special administrative fee of \$24. You will pay this with your registration. Check online for the most up-to-date list at sat.org/international. Note that during registration processing, you may be reassigned to a center that requires a special administrative fee, in which case, you will not be billed for the fee. *Asia World Expo has multiple test centers.
